# BUILT AROUND THE WAY POOL PROFESSIONALS WORK

## NICHELESS POOL LIGHT

A compact light that threads into a compatible standard 1.5-inch pool wall fitting without a traditional recessed housing niche.

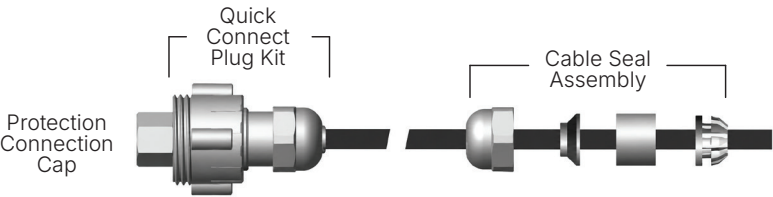

-  Cleaner, more modern pool finish
-  Flexible new-build and remodel installation
-  Patented plug-kit for easier servicing
-  Low-voltage (12V–15V AC)

## POOL + SPA

Upgrade selected existing niches to modern LED lighting. In most retrofit applications, the installer can retain the existing cable and connect the new light using the VUME plug kit.

-  Requires minimal cabling
-  Multi brand controller compatibility
-  Pool and Spa replacement options
-  Low-voltage (12V–15V AC)
