

eliteCLEAR^{QUAD}

Trusted by
POOL PROFESSIONALS

MULTI-STAGE FILTRATION. UNCOMPROMISING CLARITY.

The eliteCLEAR Quad multi-element cartridge filter is engineered for high-performance pool filtration, delivering exceptional water clarity with fewer cleanings and maximum reliability.

Featuring advanced filtration technology and 430 sqft of filtration area, its compact, user-friendly design provides efficient debris and particle capture without the need for backwashing. Enjoy cleaner, clearer, and balanced pool water with minimal maintenance.

Built to last

UV-resistant plastic tank with a cylindrical weatherproof rounded top and a 3-in-1 heavy-duty clamp kit.

Convenient handling

Easy-grip handles for effortless portability and installation.

Eco-friendly solution

No backwashing required, saving water and energy.

High flow, multi-element

Enormous surface areas for superior dirt capture and water clarity

Minimal maintenance

Longer filtration cycles delivering consistently clear pool water. Cartridge cleaning is all that's needed.
